

# WC CABIN

■ The hygienic solution for high demands!

Containex WC cabins are ideally suited for events and for construction sites as well as for flexible sanitary facilities on business premises.

Type WC 8'

## ■ CTX WC cabins:

- quick connection on site
- promptly usable
- solid steel construction
- complete and comfortable equipment
- fresh water instead of chemicals

WC cabins at a sports event

Type WC 5'

WC cabin on a building site

## ■ Technical solutions which convince!
