

# Pickerings Plant Hire

## The Welfare Service Unit from Pickerings Plant

Are you working on a site without a mains or water supply?

Then this new **Welfare Service Unit** from **Pickerings Plant Hire** is what you need. This new concept has been designed to provide a constant water and electrical supply where no such facilities are available.

For ultimate flexibility the Water/Electrics can be quickly connected using our plug and play system.

- Secure Anti-vandal Construction.
- 25 Kva Super Silenced Generator.
- 1000 ltr Bunded Fuel Tank.
- 1000 ltr Water Tank.
- Mains Pressure Water Pump.
- Plug And Play Power Distribution Board
- Fresh Water Outlets
